## APRIL 2026

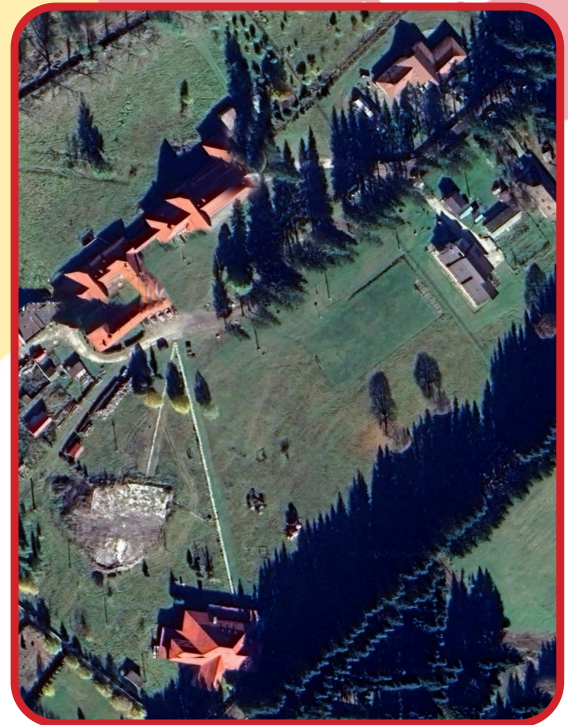

Alina and Greg at rebuilding site for residence home in 2021

our partnership has changed the lives of many, abandoned severely disabled adults.

Since July 2023, we have been at Bradet, a 22 acre facility that will be the future home for nearly 150 residents. There are 3 group homes with 2 more in the planning stage to be built. Over the past

Romania has become a focus of international ministry for us for the past 7 and one half years. Partnering with local churches and non-profits families affected by disabilities have been welcomed in to the church. In addition, we have been working closely with Alina Bordea, director of 8 centers, operated by the Brasov County, Child Protective Services. Over the years,

6 months, Greg has been traveling to Brasov, working alongside a christian non-profit, Calvary Ministry Associates Romania, the County of Brasov, local churches and members of the business community to build the two new dormitories.

In addition, last September, Greg met 2 groups of therapists from the United Kingdom, Belief in Action and Star International. They are teams of physical, occupational and behavioral therapists who have been coming to Romania for years. They have been partnering with a local pastor friend, Otto Kis, who we've worked with for over 7 years.

God has opened the door for us to bring professional training to the staff at 8 centers that Alina oversees. This is a first for the staff at Child Protective Services and we are thrilled to have a part in this.

**G**reg will be meeting with the UK team April 11 & 13, with training for up to 80 staff, April 14 & 15. This is a major milestone for them and for us. We are very thankful for the cooperation of the UK teams and Alina and her staff.

A note from Carol:

Some of you know our beautiful daughter, Christabelle, (her name literally means "beautiful Christian" in French, Greg named her). She is all that and more, yet she has battled physical ailments, chronic kidney stones, headaches, losing her balance and falling, anxiety and depression for several years. It's not unusual for her to go to the ER several times a month. However she maintains a positive attitude and a great love for Jesus, a hunger to learn and to serve others.

Life is always full of trials, some of us have more trials than others. But for this reason I am her home care person and unable to go to Romania as much as I would like to. Also travel is increasingly more difficult for me. Greg and I work together on all of our ministry correspondence, media, resources and local outreach.

God is always GOOD! Carol
